Challenge

Managing and starting a non-profit and educational organizations can be impactful but can come with challenges of delivering the message to the right audience. We have partnered with Campos Perennial Education Foundation (CPEF) to help their organization be able to bring awareness to a global issue with education. We utilize our services to market and brand CPEF to deliver content through digital platforms such as social media, Google search engines, and their website.

Results

With our digital marketing services, we were able to deliver and bring engagement towards CPEF through social media marketing and content marketing that shows acknowledgement towards the philanthropic services the CPEF's team are providing.

We design and develop the CPEF's official website that showcase the work of the foundation, the impact, and the mission/vision for the organization.
